We have been doing our food "bag" program for 6 months now. We serve 35 people each month delivering a big bag of food - a government program that costs us nothing but our time.

This month we have an additional 5 bags. If you know of someone over 60, residing in Banks County, and with an income below \$1310 a month...please let Dianne know. We'll sign them up.

Once signed up, this program lasts a year. It's a great help to our senior citizens.
